

# Which university should I go to?

Ask these 10 questions before you decide...

**1** How much of my teaching will be given by staff employed on zero-hours and temporary contracts?

**2** What is the staff-student ratio at this university?

**3** Does this university pay the Living Wage\* to all staff it employs, including staff on casual contracts?

**4** If I take a job working at this university while I am a student, will I be paid the Living Wage\*?

**5** Are the guides who show me around this university paid a Living Wage\*?

**7** What will this university do if proposed cuts to Disabled Student Allowance are implemented in 2015?

**6** What is the ratio of the vice chancellor's salary to the pay of the lowest paid members of staff?

**8** Does this university want to see tuition fees rise above their current level of £9000 a year?

**9** Does this university believe that student loans should be sold to a private company?

**10** What would this university do if the terms of their students' loans changed for the worse AFTER they had started their degree programme?
