

22 October 2012

Dear colleague,

UCU-LSIS-UNISON FE Staff Governors' Conference – Monday 3 December 2012

On Monday 3 December 2012 UCU, LSIS and UNISON are holding the annual conference of the FE College Staff Governors' Network at UNISON head office, 130 Euston Road, London NW1 2AY.

These events, although organised by UCU, LSIS and UNISON, are open to all staff governors. This year the theme of the event is **Teaching and learning: a new governance focus**. This practical and skills-focused event will give insights into the renewed governance focus on teaching and learning as outlined in the OfSTED Common Inspection Framework 2012. The conference will explore case studies of different approaches to governing, teaching and learning and facilitate the development of delegates' effectiveness in carrying out their role.

As in previous years there will be a small charge of £37.50, including VAT, per person to cover costs to attend the event.

We attach the programme for the conference and would like to invite you to attend. If you can do so we would be grateful if you could fill out the registration form attached and either email or post it to Diana Hendry, Public Policy Administrator, UCU (full contact details on the application form). Alternatively please forward this invitation to other appropriate colleagues.

Yours sincerely,

Dan Taubman
