

national union of students

9th March 2011

Sally Hunt
General Secretary
UCU
Carlow Street
London
NW1 7LH

Dear Sally Hunt,

We understand that the proposed five days of strike action in relation to changes to the USS pension scheme may impact upon over 1 million students.

We call on both sides to enter in to formal negotiations under the auspices of ACAS at the earliest possible opportunity in order to avoid this damaging programme of strike action.

Yours sincerely,

Aaron Porter
President
