We are satisfied:

- a) that there are no reasonable grounds for believing that there was any contravention of a requirement imposed by or under any enactment in relation to the ballot
- b) that the arrangements made with respect to the production, storage, distribution, return or other handling of the voting papers used in the ballot, and the arrangements for the counting of the votes, included all such security arrangements as were reasonably practicable for the purpose of minimizing the risk that any unfairness or malpractice might occur,

We would draw your attention to subsection 231B (2) which requires that, for a six month period starting from the date of the ballot, a copy of this report be made available, on request, to any person who was entitled to vote in the ballot and the employer of any such person.
