

UCU – the union for prison educators

UCU is the largest post-school union in the World. We are proud to represent members in higher, further, adult and prison education.

To join and eligibility: www.ucu.org.uk/join
Also see: [UCU - UCU member benefits](#)

The more members we have, the more we can achieve.

During **Build The Union** month please pass on this newsletter and ask colleagues to join UCU.

Your Pay Campaign

Novus UCU members have voted YES to accept a pay increase of 9%. This is a great achievement and will go some way towards addressing the impact that years of pay stagnation and high inflation have had on your salary. Members also voted to agree the proposed terms and conditions of Project Connect, which will be implemented in April 2025. You will have seen the full details of Project Connect in your emails, but highlights include:

- Reduction in annual delivery hours to 999
- Improved Pay Ranges with higher earning potential
- Increased Annual Leave
- Introduction of Wellbeing Hours

Your Union: Making A Difference

Your UCU branch gives you a strong local collective voice to tackle the issues that matter to you. The achievements on pay and Project Connect were testament to the strength of your branch, and to be even stronger we need more people joining UCU and getting involved. Contact your branch for more details and how you can help:

- Branch Chair: Brian Hamilton
- Vice-Chair: Jane Inskip
- Secretary: Maria Walker

Prison education will continue to face challenges such as excessive workloads, and we need everyone on board to tackle them collectively. In **Build the Union** month, we are asking members to 'map' their workplace – more information here:

UCU Prison Education in the media

UCU continues to campaign nationally to return prison education to the Department for Education and develop a national contract for prison educators. Some of our work on the New Fair Deal for pensions was covered in FE Week: <https://tinyurl.com/prisonpensions>
Also your branch chair Brian Hamilton gave an interview to PSE. Please see: <http://post16educator.org.uk/resources/archive/113/PSE-113-Hamilton-only.pdf>
