

UCU – the union for prison educators

UCU is the largest post-school union in the World. We are proud to represent members in higher, further, adult and prison education.

The more members we have, the more we can achieve.

During **Build The Union** month please pass on this newsletter and ask colleagues to join UCU.

Your Pay Campaign

PeoplePlus UCU members have voted to accept a pay offer that will uplift the lowest salaries by 10%, and 7% for those earning above £28,000k pa. This is a positive achievement and shows what we can do when we join forces as a union.

We are aware that issues still remain and we need you to get organised within your workplace, because we need everyone on board to tackle them collectively. In **Build the Union** month, we are asking you to 'map' your workplace and speak to your colleagues about joining UCU. The more members we have working together, the stronger we are.
