Dear Colleague

### **Call for nominations: FE negotiators for England**

Under rule 16.4, FE national sector conference elects national negotiators for England according to a formula approved by the sector conference. The formula is attached as Appendix 1. These elections will take place amongst delegates to the Congress and sector conferences taking place 24 – 26 May 2025.

Under the formula there are eight negotiators in total. Three of the negotiators are ex officio, the Vice-President for FE, and the two vice-chairs of the FE Committee. The other five are elected from the delegates to conference each year, and serve for one year.

This is a formal request for nominations for members of the FE negotiating team for England who are elected from sector conference.

All delegates to Further Education Sector Conference who are in current employment are eligible to be nominated – including members of the Further Education Committee.

**At the time of submission of nomination candidates must be in qualifying employment under rule 3.1.1 or have been in qualifying employment within the preceding 6 months, unless a pattern of casualised work in the post-16 education sector can be proven within the preceding 24 months. Candidates must provide, as part of their nomination, evidence of their qualifying employment, normally in the form of a copy of a payslip for work carried out within the preceding 6 months, or, in the case of a member who is self-employed, evidence of payment for work carried out within the preceding 6 months, or of a pattern of casualised work in the post-16 education sector within the preceding 24 months, to be received by the deadline for nomination. Any dispute in regards to a candidate's eligibility will be referred for decision to the chair of FEC who shall be advised by the National Head of**
