

DEFENDING YOU

UCU is the biggest tertiary education union in the world and staff in universities need a strong union now more than ever

Join UCU and you will help make us a stronger force representing staff in higher education

DEFENDING EDUCATION

Essex UCU is fighting a proposed joint venture between Essex University and INTO, a private company looking to expand in higher education

INTO are only interested in profit

INTO will be bad for staff, bad for education and bad for the university

Join UCU and let's keep INTO out of Essex
