

TUS Bulletin

January 2011

The Trade Union Side (consisting of the BMA, UNITE, FDA, UCU and PCS) are campaigning to recruit more activists and members within the MRC. They have all agreed to work collaboratively in organising and recruiting within the MRC.

The campaign will consist of:

A Cross Union Survey. This will be distributed across all work locations and to all staff. The results of the survey will be used to identify any barriers in joining and or becoming more active in your union. Also we will use the results to identify any worries, issues or concerns that staff may have in their workplace. **Please click on the link below and take the time to complete the survey as your views and opinions are important to us.**

Union Roadshow. The campaign's focused on MRC HO, CTU, NIMR, and MRCT. Events will take place in February in London over 4 days from 10 am to 2 pm. During the roadshow, representatives from all the unions will be holding stalls presenting their literature. We will be looking to roll this out across other MRC units.

Please feel free to drop in to find out more about our work in the MRC.

Posters will also be distributed in workplaces advertising all the roadshow dates. So look out for them.

With many issues including pay, corporate reorganisation, TUPE transfer and redundancy. There has never been a more important time to join one of the recognised Unions in MRC. Together we will be better equipped to protect our jobs, communities and living standards.
