

Have you ever experienced **everyday racism?**

'Although it seems very minor, consistent and persistent misspelling of my name. If you can learn DOSTOYEVSKY...'

Associate Tutor in Higher Education

witness the lived experiences of UCU's black members

Workplace racism can have a detrimental impact on individuals. **Witness** is UCU's oral history project to record the experiences and contributions of black members in colleges and universities and to raise awareness about the character of racism at work.
