

5

reasons to join UCU

THE UNION FOR ACADEMIC-RELATED PROFESSIONAL STAFF

1

The voice of the profession: We are the largest post-school education union in the world, and support our members at every level. Members include academic and research staff, senior managers, administrators, library, technical and computer staff. **Speak to your local union branch representative about eligibility to join.**

2

A dedicated ARPS committee: UCU values your membership and support, and has a dedicated committee elected by ARPS members to represent your views and issues within UCU.

3

Trained local representatives: Local reps negotiate pay and conditions, give workplace support and focus on local issues. Local reps are backed by full-time UCU officials, including ARPS representatives.

4

Access to a host of benefits: Members' fees scale according to pay. You'll have access to benefits including UCU's excellent legal scheme and workplace and personal support 24/7 from Education Support.

5

Together we can make a difference: UCU believes in an education system that helps people to reach their full potential. We oppose privatisation, combat outsourcing and ensure that pay, parity, workloads and working conditions are at the forefront of negotiations.
