In July 2018, RPI was running at 3.4%. The School teacher's pay review body recommended that from September 2018 ALL pay and allowances for teachers and school leaders are increased by 3.5 %. **ColegauCymru has offered staff in FE a derisory 1%. The hard won pay parity with school teachers is under attack and if we don't fight for it we will lose it!** We need to send a strong message to ColegauCymru, because the writing really is on the wall....

Fis Gorffennaf 2018, roedd RPI yn 3.4%. Mae'r corff adolygu cyflogau athrawon ysgol wedi argymhell bod POB cyflog a lwfans i athrawon ac arweinwyr ysgolion yn codi o 3.5% o fis Medi 2018. **Mae ColegauCymru wedi cynnig swm dirmygus o 1% i staff AB. Mae'r ymdrech i gael cydraddoldeb cyflog gydag athrawon ysgol dan fygythiad ac os na fyddwn yn ymladd drosto byddwn yn colli'r frwydr!** Mae angen i ni anfon neges gref at ColegauCymru, oherwydd mae'r sgrifen wir ar y mur...
